EASTWOOD BULLETIN

From The Sonny Side

We are expecting an enjoyable worship assembly this coming Sunday evening. There will be several youth groups with us for worship. Colton has planned this to be a time of teaching our youth about relationships. Jonathan Layman will preach and Justin Pannell will lead singing.

I am looking forward to Sunday evening? I really love the songs and being with large groups of young Christians. Before you read too much into what I said allow me to say I always enjoy worship with the church regardless of "which" songs we sing and the age of the worshipers. But I really do enjoy (probably because I don't get to very often) worshiping with our youth.

I am also looking forward to CYC. There will be around 7,000 worshipers in the same building in Gatlinburg TN. Many young energetic Christians and many adult Christians will gather together to exalt Jesus. Began now to pray for safe trips and good teaching.

How about that snow? It was beautiful! But it didn't last very long and that is alright. Hope you enjoyed it and hope you give God the glory for all things.

See you Sunday
