**From the Sonny Side**

I have been so out of the work that I really don't know what all has gone on but I do know that many have stepped up and did what needed doing. Eastwood has a tremendous amount of talent and I thank you for using your talent to the glory of God.

The response to VBS has been a testimony to your willingness to please God and exalt Jesus in this congregation. I have no idea who has done all the work but it is evident that many have worked overtime to see that it has been done. I do know that Holly Elam and Sandy Faires planned and put the plan into action. I know that Jan Sherrill has done her usual excellent job with the puppets. Tonight (Monday) Tim Elam did a good job with his topic for the adults.

Brethren we are in an "up-swing" so let's make sure that we all join in the work and allow God to increase our faith and the size of His family at Eastwood.

My recovery has been much slower than I wanted or expected but I haven't had much control. I do need your help in one BIG way. I am now a diabetic. I must control my diet. You know how much I love your cooking, especially the sweets. I need your help to stay away from them. I hate saying that but this has hampered my recovery (I believe). I am going to work hard and ask that you help me. Thanks to all of the Eastwood church for your prayers and concern. I have missed you like you will never know. I love you.

## FINDING TIME FOR THE BIBLE

- Put a Bible under your pillow to read each night before you go to sleep.
- Wake up ten minutes earlier each morning.
- Turn off the TV at 8:00 p.m. each night and read to your children.
- Read a few verses at mealtime when the family is together.
- Talk less to have a few more minutes to read.
- Keep a Bible in the kitchen, to read while waiting for food to cook or for water to boil, or near the phone, to read while on hold.
- Carry a Bible in your purse or pocket, to read while waiting in line for doctors or when arriving early.
- Take a Bible on trips and read on a plane or in a hotel.
- Don't just own a Bible —read it!
