Enthusiasm

There seems to be an exciting enthusiasm going through the congregation. Have you noticed the number of visitors we have had lately? Sunday evening we had several that are looking for a home church. There was a young couple that has recently moved into the area there Sunday evening. I hope you make a special point to speak to everyone that you know is a visitor.

I sure enjoyed the TITUS Campers. Each one did an outstanding job with their lessons. I am looking forward to hearing our youth that was a part of TITUS Camp too.

Brethren I don't remember a time since I have been at Eastwood that we have had so many that are sick. Not just Eastwood members but family members and friends of ours. It seems like everyday I am called about someone that is going through a difficult time. We must take time daily to pray for these brethren and friends. I have appreciated all the prayers on my behalf and I know that there are many right now that need our prayers.

MISCELLANEOUS

Understanding Compassion

Did you know that some of the most important things said in the Bible were contained in just a few words? The scriptures tell us to follow in Jesus' footsteps. 1 Peter 2:21 "For to this you have been called, because Christ also suffered for you, leaving you an example, so that you might follow in his steps." The shortest scripture in the bible is this: John 11:35, "Jesus wept". Even though Jesus has the power over death and raised Lazarus from the dead, he had compassion for the sisters of Lazarus, and the mourners. He shared their grief. We must learn to have the empathy Jesus did for those who mourn and share their grief. Just like the sisters of Lazarus, our comfort is in Jesus. There is no death with Christ, but only life. What a great comfort this is to all of us!
